Fair and Personal Analysis

The concept of fair and personal analysis describes the extent of the choice products and providers offered by an intermediary within a particular category of life assurance, mortgages and/or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could be reasonably expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

Insurance based Investment Products

We are remunerated by commission for the advice we provide on our insurance based investment products.

Investment Intermediary Services

We are remunerated by commission for our investment intermediary services.

Life & Pensions/Tracker Bonds & Life Wrapped Investments

We provide life assurance, pensions and tracker bonds on a fair analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically, on the subject of permanent health insurance policies we will explain to you a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Deposits

We provide Bank Deposits on a limited analysis basis (providing services on the basis of a limited number of contracts and product producers available on the market).

We provide advice on deposits on the following product providers:

- Permanent TSB
- Leeds Building Society

Mortgages

Through the lenders or other undertakings with which we hold an agency, Qifa Wealth Advisors Ltd can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

We provide mortgage advice on a fair analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

Non-Life

Qifa Wealth Advisors Ltd. provides general insurance on a limited analysis basis (providing services on the basis of a limited number of contracts and product producers available on the market).

We provide advice on the following product providers:

- Hive Insurance Services DAC

We will also offer assistance to you in relation to processing claims on policies taken out with us. You have the right not to avail of this service.

Sustainability Factors - Investment/IBIPS/Pension Advice

When providing advice, the firm considers the adverse impact of investment decisions on sustainability. As part of our research and assessment of products, the firm will examine the Product Providers literature to compare financial products and to make informed investment decisions about ESG products. The firm will at all times act in the client's best interests and keep clients informed accordingly. The consideration of sustainability risks can impact on the returns of financial products.

Statement of Charges

We are remunerated by commission and other payments from product producers or lenders on the completion of business.

You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees if the number of hours relating to on-going advice/assistance exceeds 8 hrs.

Sustainability Factors- Investments/IBIPs/Pension Advice

When assessing products, we will consider the different approach taken by product providers in terms of them integrating sustainability risks into their product offering. This will form part of our analysis for choosing a product provider.

A summary of the details of all arrangements for any fee, commission, other reward or remuneration paid or provided to us which have been agreed with product providers is available in our office or on our website – www.qifa.ie

In certain circumstances, it will be necessary to charge a fee for services provided. These are listed below. In other circumstances where fees are chargeable or where you choose to pay in full for our service by fee, we will notify you in writing in advance and agree the scale of fees to be charged if different from fees outlined below. Where it is not possible to provide the exact amount, we will provide you the method of calculation of the fee.

If we receive commission from a product provider, this may/will be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made.

Life Fees

You have the option to pay for our services in full by means of a fee.

Fees are charged on a time spent and disbursements basis and should a fee apply we will advise you in writing in advance and agree the scale of fees to be charged if different from fees outline below. The range of fees is as follows:

- ❖ Qualified Financial Advisor: €150 per hour.
- ❖ Administrator: €48 per hour.

Additional fees may be payable for complex cases or to reflect value, specialist skill or urgency. We will notify you in advance of providing you with these services, our scale of fees for such cases range from a minimum of €150 per hour to a maximum of €350 per hour.

Fees may be charged for advice given irrespective of whether a product is purchased by you. If we have arranged for your fee to be offset by commissions derived from a life assurance policy, pension, investment or mortgage that you subsequently cancel or cease to pay premiums or loan repayments, and in consequence we are obliged to refund commissions paid to us, we reserve the right to charge you a fee to reimburse us for the amount of commission refunded.

We will notify you in advance and agree in writing the scale of fees to be charged.

Pensions & Life Wrapped Investment Fees

We can be paid by the company or a fee-based arrangement based on time spent to arrange the pension or investment.

In order to ensure fairness and impartiality we charge the same commission across all providers. This removes commission bias from our decision-making process. These commissions have an effect on allocation and fund-based charges. On single premium transactions we charge an initial fee of 3% of the initial investment as a standard. This could be up to 5% depending on the complexity and where the sum invested is below €10,000. We charge 0.5% of investment value annually of ongoing Broker servicing fee. The additional ongoing Broker servicing fee of 0.25% could be added to the policy if initial commission is not available due to the short nature of investment i.e. below 5 years, e.g. where time left to retirement is shorter than 5 years. On regular premium transactions we charge 15% of the first-year premium as an initial transaction fee and up to 0.5% of investment value annually of ongoing Broker servicing fee. We may charge additional 0.25% of ongoing Broker servicing fee if initial commission is not available due to the short nature of investment i.e. below 5 years, e.g. where time left to retirement is shorter than 5 years.

You also have the option of paying a fee instead. Fees must be agreed in advance and in writing.

The following hourly fees will apply:

- ❖ Qualified Financial Advisor: €150 per hour.
- ❖ Administrator: €48 per hour.

Mortgages

We may receive up to 1% (or whatever maximum is applicable) of the loan for arranging mortgage finance. This commission is paid by the mortgage lender. The actual amount of commission will be disclosed at a later stage in the ESIS (European Standardised Information Sheet) which will be forwarded to you. Information on the variation in levels of commission payable by the different creditors providing credit agreements being offered are available on request.

The following sections apply to consumer duties and rights arising out of the Consumer Insurance Contracts Act 2019 which was implemented to protect consumers. Non-Consumer Commercial clients have no duties and rights under this Act, and therefore the following sections do not apply to them.

Consumers: Duty of Disclosure when completing documentation for new business/renewals and midterm adjustments

You are required to answer all questions posed by us or the insurer honestly and with reasonable care – the test will be that of the ‘**average consumer**’. (Average consumer as per Directive No. 2005/29/EC of the European Parliament and of the Council of 11 May 2005 is reasonably well informed and reasonably observant and circumspect, taking into account social, cultural and linguistic factors).

Failure to answer all questions honestly and with reasonable care can result in the Insurer being able to rely on proportionate remedies for misrepresentation, which include but are not limited to the insurer voiding the contract of insurance. If a policy is cancelled by an insurer for any reason including payment default you may encounter difficulty in purchasing insurance in the future.

An insurer may repudiate liability or limit the amount paid on foot of the contract of insurance, only if it establishes that non-disclosure of material information was an effective cause of the insurer entering into the relevant contract of insurance and on the terms on which it did.

Completed proposal forms/statement of fact

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract if insurance.

A court of competent jurisdiction can reduce the pay-out to you if you are in breach of your duties under the Act, in proportion to the breach involved.

Cancellation of a Contract of Insurance

If you have taken out a life insurance contract, you may cancel the contract by giving notice in writing to us within 30 days after the date you were informed the contract is on cover.

If you have taken out a general insurance contract, and we have not met face to face during the process, you may cancel the contract by giving notice in writing to us within 14 days after the date you were informed the contract is on cover.

If you have taken out a general insurance contract, and we have met face to face during the process, you may cancel the contract by giving notice in writing to the insurer within 14 working days after the date you were informed the contract is on cover.

The giving of notice of cancellation by you will have the effect of releasing you from any further obligation arising from the contract of insurance. The insurer cannot impose any costs on you other than the cost of the premium for the period of cover.

This right to cancel does not apply where, in respect of life insurance the contract is for a duration of six months or less, or in respect of general insurance, the duration of the contract is less than one month.

Post-Contract Stage and Claims

An insurer may refuse a claim made by you under a contract of insurance where there is a change in the risk insured, including as described in an “alteration of risk” clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover.

Any clause in a contract of insurance that refers to a “material change” will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the contracting parties when the contract was concluded.

You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time.

You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of contract of insurance.

If you become aware after a claim is made of information that would either support or prejudice the claim, you are under the duty to disclose it. (The insurer is under the same duty).

If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregarded whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.

Commercial Customers: Non-Consumers

Disclosure of Information

It is essential that you should bring to our attention any material alteration in risk such as changes of address or use of premises. Any failure to disclose material information may invalidate your claim and render your policy void.

Compensation Scheme

We are members of the Investor Compensation Scheme operated by the Investor Compensation Company Ltd. See below for details.

Investor Compensation Scheme

The Investor Compensation Act, 1998 provides for the establishment of a compensation scheme and the payment, in certain circumstances, of compensation to certain clients (known as eligible investors) of authorised investment firms, as defined in that Act. The Investor Compensation Company Ltd (ICCL) was established under the 1998 Act to operate such a compensation scheme and our firm is a member of this scheme.

Compensation may be payable where money or investment instruments owed or belonging to clients and held, administered or managed by the firm cannot be returned to those clients for the time being and where there is no reasonably foreseeable opportunity of the firm being able to do so. A right to compensation will arise only:

- If the client is an eligible investor as defined in the Act; and
- If it transpires that the firm is not in a position to return client money or investment instruments owned or belonging to the clients of the firm; and
- To the extent that the client’s loss is recognised for the purposes of the Act.

Where an entitlement to compensation is established, the compensation payable will be the lesser of:

- 90% of the amount of the client’s loss which is recognised for the purposes of the Investor Compensation Act, 1998; or
- Compensation of up to €20,000.

For further information, contact the Investor Compensation Company Ltd. at (01) 224 4955.

Brokers Ireland Compensation Fund

We are also members of the Brokers Ireland Compensation Fund. Subject to the rules of the scheme the liabilities of its members firms up to a maximum of €100,000 per client (or €250,000 in aggregate) may be discharged by the fund on its behalf if the member firm is unable to do so, where the above detailed Investor Compensation Scheme has failed to adequately compensate any client of the member. Further details are available on request.
