Sustainable Investing

In accordance with the Sustainable Finance Disclosure Regulation ('SFDR'), we inform you that when providing advice on insurance-based investment products/Investments,

we do not assess, in addition to relevant financial risks, relevant sustainability risks as far as this information is available in relation to the products proposed/advised on. This means that we do not assess environmental, social or governance events/conditions that, if they occur, could have a material negative impact on the value of the investment.

When providing advice on insurance-based investment products ('IBIPs') or investment advice we do not consider the impacts of our advice that result in negative effects on sustainability factors (namely environmental, social and employee matters, respect for human rights, anti-corruption and anti-bribery matters), because of the size, nature and scale of our activities when providing Investment advice and Insurance Based Investment advice, we will not consider the adverse impacts of investment decisions on sustainability factors. We will review this opinion annually in January.

Remuneration

We are remunerated by commission and other payments from product producers or lenders on the completion of your business. You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for ongoing advice with regards to the business we advise you on and we will provide you with an annual update on your investment business. We reserve the right to charge additional fees if the number of hours relating to on-going advice /assistance exceeds 3 hrs.

If we receive commission from a product provider, this will be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission will become the amount payable to us unless an arrangement to the contrary is made.

Additional fees may be payable for complex cases or to reflect value, specialist skills or urgency. We will give an estimate of this rate in advance of providing you with services. Our fee schedule is:

- ❖ Qualified Financial Advisor: €150 per hour.
- ❖ Administrator: €48 per hour.

We may receive up to 1% (or whatever maximum is applicable) of the loan for arranging mortgage finance. This commission is paid by the mortgage lender. The actual amount of commission will be disclosed at a later stage in the ESIS (European Standardised Information Sheet) which will be forwarded to you by lender at loan offer stage. A fee of between €150-€300 is charged for arranging your mortgage application. Please note that lenders may charge specific fees in certain circumstances and if this applies, these fees will be specified in your Loan Offer. You have the right to pay a fee separately and not include it in the loan. Typically, this situation arises in relation to specialist lending. A full list of lenders and remuneration is available on request.

If we provide mortgage advice and obtain a Loan Offer for you and you subsequently do not proceed with your mortgage application through ourselves, we will charge you an arrangement fee of €350 for our services.

If by investing in sustainable investment products there are any differences in charges etc., we will advise you of this in advance of advising you on your investment.

A summary of the details of all arrangements for any fee, commission, other reward or remuneration paid or provided to us by the product producers" is available on our website or in our offices. If you need further explanation on this information, please do not hesitate to call us.
